

FAMILY & COMMUNITY MEDICINE

The UAB Family and Community Medicine Clinic at UAB Hospital-Highlands provides a complete range of primary care services for the entire family. Our board-certified family medicine physicians take a comprehensive approach to health care, which means we consider the whole person rather than focusing only on a specific problem.

SERVICES INCLUDE:

- Family-centered care for all ages
- Acute/urgent care
- Pediatrics
- Physical exams and annual health evaluations
- Preventive care and general wellness
- Sports and exercise medicine
- Chronic condition care and management
- Geriatric care

HOURS OF OPERATION:

8:00 am to 5:00 pm Monday through Friday, except holidays. Doors open at 7:30 am.

FOR APPOINTMENTS:
